

TESTING OF APPRENTICE PROGRAM APPLICANTS

Apprentice Program Applicants may have to take two tests in order to enter the apprentice program. Initially, each applicant will be scheduled to take the ASSET Test comprised of English and Mathematic questions. If selected to enter the PHNSY & IMF Apprentice Program, individuals will then take the COMPASS placement exam.

A study guide is available to help you prepare for the COMPASS Test, which HCC or Honolulu Community College, administers to all who apply at the College. The ASSET Test is very similar to the COMPASS Test. Applicants can use the COMPASS study guide to help them prepare for both tests. This book is available at the HCC Bookstore.
